

# EU-LAC Health.

Defining a Roadmap for cooperative health research between the EU and LAC: a policy oriented approach

## EU-LAC Health.

### Objectives:

- Explore how to coordinate health research policy making between EU and LAC
- Define a consensus roadmap
- Promote the creation of a coordinating body
- Disseminate results

# EU-LAC Health.

## - Work packages:

1 State of play analysis

2 Operational roadmapping

Scenario building

Major challenges in EU-LAC collaboration in health research

Coordination of regional and international funding efforts

Roadmapping

International funding coordination

Creation of a coordinating body

3 Roadmap consultation and validation

4 Implementation of EU-LAC Health R&D coordination

The new Coordinating Body

5 External relations, dissemination

# EU-LAC Health.
