Horizon 2020 Workshop

Opportunities for EU-LAC collaboration in health research and innovation

June 19th, 2017

Fundação Oswaldo Cruz – Fiocruz, Rio de Janeiro

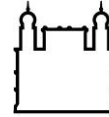

Venue: Escola Nacional de Saúde Pública ENSP - Salão Internacional, 4o. floor

Objective

The objective of this final EU-LAC health workshop is to provide comprehensive information and practical clues for participating in the Horizon 2020 EU Research and Innovation Funding Program, oriented to EU-LAC collaborations, as well as providing a preview of the opportunities for the next 3 years of the H2020 program and to prepare for future calls for proposals for the strategic period 2018-2020.

Target Group: heads of research, researchers, grant offices, funding agencies, companies.

Time	Title	Content	Speaker
9.00	Registration
